Handling Services

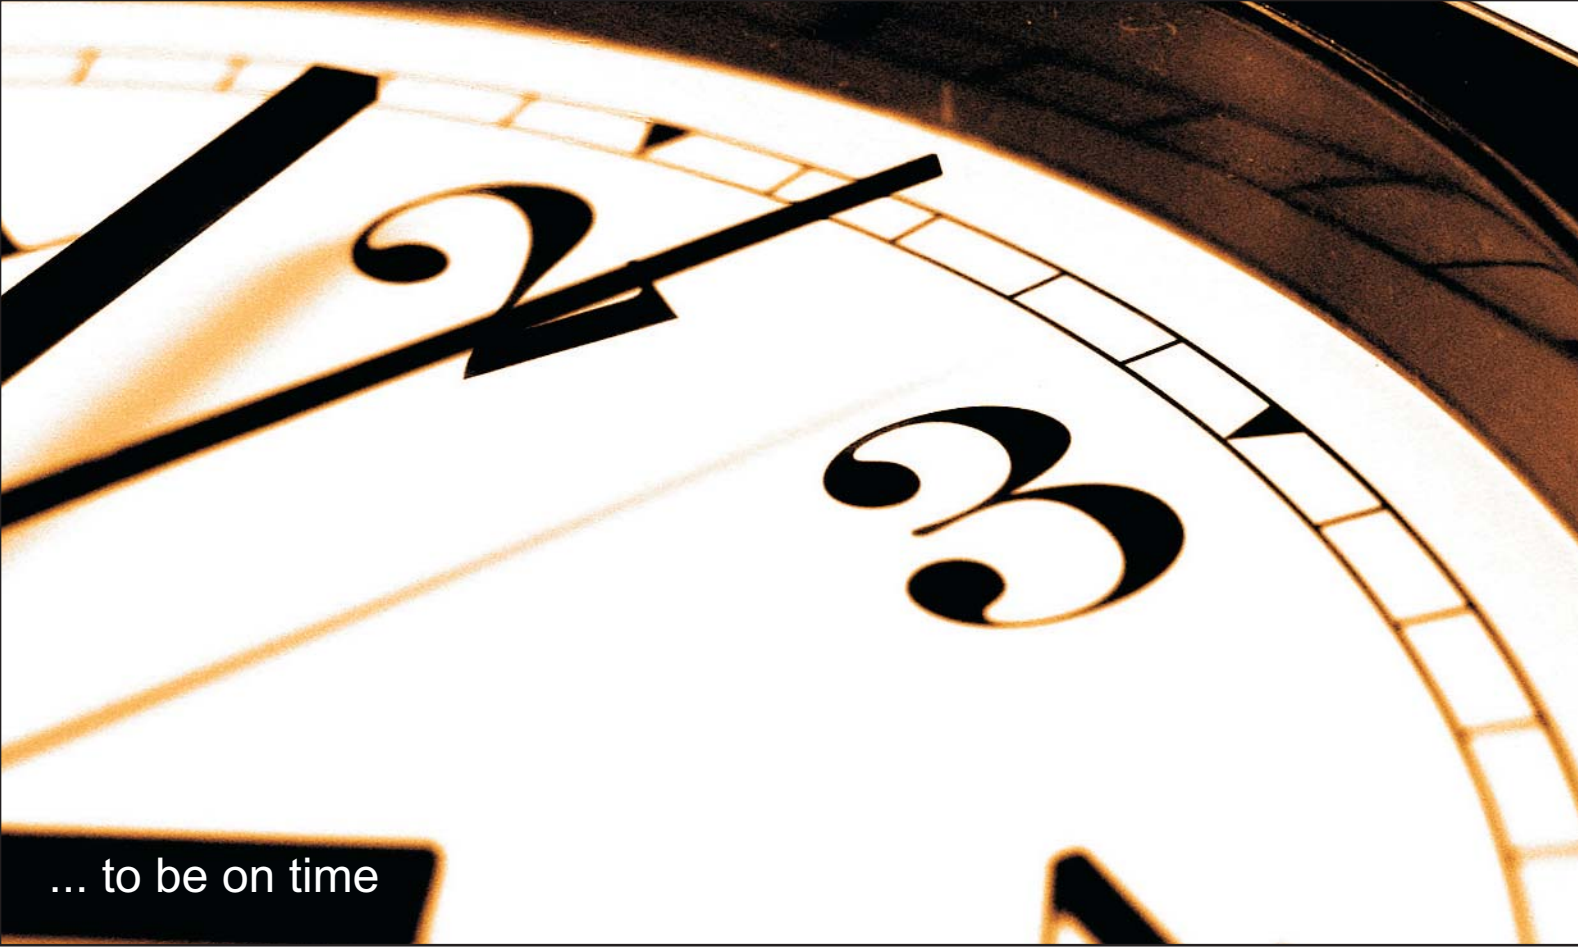

The value of unique travelling...

... to be informed

... to enjoy

... to be on time

... to be moved

We realize it!

... to be on time

## Partner in quality

The art of providing qualified services to you and your client is our main focus. Every flight deserves individual attention and we take care for all kinds of details. Our highly motivated skilled staff is looking forward to be your assistant. Our target is to fulfill all of your needs, providing every service item between „10-miles-out“ and „airborne“ at 15 German airports. Together with joint partners we are able to extend the range of services to Full-Handling.

As our customer, you will experience an exclusive service, making the business trip for your client a pleasure.
